Din Ho
Software Engineer

ABOUT ME

A self-taught **Front-end Web Developer** seeking an opportunity to contribute and learn at a tech company with global reach. Will help build the front-end of websites and web applications that can lead to the **success** of the overall product.

WORK EXPERIENCE

Recent Projects:

- **My Portfolio Website (HTML, CSS, JavaScript, Node.js, Vite, React.js, Sass)** – A modern, semantic, and responsive portfolio website. The website is best accessible on laptop, tablet and mobile devices. Lighthouse audit scored: **100 Accessibility**, **100 Best Practices**, **100 SEO**, **97 Performance**.
